INDEX TO VOLUME XXXIII, THIRD SERIES.

(WHOLE SERIES, VOLUME XLI.)

Abdominal kneading in the treatment of intestinal stasis 553
operation for the cure of cystocele..... 211
pain caused by angioneurotic edema... 145
pain, the differentiation of and its bearing on treatment 244
wounds, penetrating 828
Abortion, the diagnosis and treatment of... 862
treatment of 414
Abortions, infected—when to use the curette in 600
Abrahams, Robert: Clinical Observations on Some Phases of the Treatment of Diseases of the Heart and Their Sequelæ..... 470
Abscess of the liver..... 793
Abuse of soap..... 348
Accessory sinuses, diseases of the following influenza—etiology and diagnosis of..... 381
Acetonuria and inanition in children..... 396
and the question of treatment..... 93
Achylia gastrica: simple or benign achylia 411
Acidosis and anesthesia..... 415
and phosphate retention..... 252
clinical conditions accompanied by..... 349
of gastrointestinal origin..... 283
the influence of on hyperglycemia in diabetes mellitus 195
treatment of 360
Acriflavine and proflavine and brilliant green, the antiseptic properties of..... 820
Administration of certain deliquescent and liquid drugs in capsules..... 45
Adrenalin, effect of upon muscular fatigue. 785
in the treatment of digestive disorders. 840
of hay-fever 52
of hematemesis 340
of poliomyelitis..... 358
of shock..... 251
of sinus disease..... 386
After-treatment of infantile paralysis..... 261
of patients, coöperation of physician and surgeon in the..... 549
Alcohol and fatigue..... 814
effect of on the respiration and the gaseous metabolism in man....:..... 720
Alcoholism and drug addiction as complicating factors of anesthesia..... 108
Alkaline treatment of acidosis..... 360
Allen treatment of diabetes mellitus..... 427
Ambrine in the treatemnt of burns..... 447
Amebic dysentery, peripheral neuritis following emetine treatment of. 35
treatment of carriers of..... 277
of carriers of with emetine-bismuth-iodine 860
Amputation from the artificial limb point of view 749
Anaerobic wound infections..... 702
Analysis of cases of tetanus treated in home military hospitals 879
Anaphylaxis, the phenomena of..... 440
Anders, J. M.: Treatment of Chronic Bright's Disease 685
Anemia, pernicious—splenectomy and transfusion in 19
the treatment of..... 552
transfusion of blood in the treatment of 271
secondary, in infants—treatment of by blood transfusion 869
Anesthesia, alcoholism and drug addition as complicating factors of..... 108
and acidosis 415
and operation, the effect of on kidney function as shown by the phenolsulphonephthalein test and urinary analysis 640
chloretone in 264
in epilepsy 110
spinal 752
in obstetrics 81, 554
rectal 126
Anesthetics at a casualty clearing station.. 816
Aneurisms of war, treatment of..... 373
Angiomas, destruction of by the injection of quinine and urea hydrochloride..... 521
moles, and nevi—radium treatment..... 243
Angioneurotic edema as a cause of abdominal pain 145
Antagonism between atropine and certain central emetics 175
Anterior lobe pituitary body, use of in impotence in the male..... 338
poliomyelitis, acute—comparison of methods of specific early treatment of. 870
treated successfully by transfusion of citrated normal blood of adults 119
after-treatment of 352
treatment of 514
Antidysenteric serum in the treatment of dysentery 343
Antimeningococcus serum in the treatment of epidemic cerebrospinal meningitis..... 798
Antimony in the treatment of malaria..... 414
Antiseptics and glycerin..... 727
bacteria, and tissue cells..... 330
the influence of on the activities of leucocytes and on the healing of wounds 344
Antitetanic serum, a case of tetanus successfully treated with..... 10
methods of administering.... 774
Antitoxin treatment of tetanus..... 196
Anxiety about the lumbar puncture..... 600
Apocodeine—a new laxative with exceptional advantages 38
Apomorphine as an antidote to strychnine.. 456
Apparatus for the treatment of incipient hip-joint disease, a simple..... 62
Appendicitis, acute—treatment of..... 837
Approved newer methods of general anesthesia 596
Arsenic and mercury in the treatment of syphilis 761
combinations and mercury in the treatment of syphilis..... 408
trioxide inhalation the cause of perforation of the nasal system..... 732
Arterial hypertension and its management.. 128
Arteriosclerosis and other anatomical changes of old age, the relation of to the development of epithelial malignancy 66
the treatment of.....26, 644
Arthritis, chronic—the use of foreign protein in the treatment of..... 327
deformans as an infectious disease..... 736
rheumatoid—continuous counter-irritation in 89
the cure of by indirect effect..... 20
Arthrotomy followed by immediate closure of the articulation in the treatment of certain wounds of the knee..... 904
Articular end of bone, transplantation of the, including the epiphyseal cartilage line 55
rheumatism, acute—the treatment of... 122
Artificial cerebrospinal fluid..... 714
pneumothorax: a plea for partial compression of the lung..... 431
some notes on..... 885
respiration, methods of..... 627
Aspiration of the pericardium..... 171
Asthma and hay-fever, treatment of by pituitrin and adrenalin..... 889
bronchial—treatment of 879
treatment of by vaccines..... 735
of patients with injections of proteins to which they are sensitive 867
the treatment of..... 583
Athletes and non-athletes, effects of breakfast, of no breakfast, and of caffeine on work in 719
Atropine and certain central emetics, the antagonism between 175
Auricular fibrillation 887
Aviation corps and medical examination... 899

Bacillary dysentery, acute—the treatment of 341
Bacteria, antiseptics, and tissue cells..... 330
in raw milk compared with those in pasteurized milk 122
infections of the urinary tract from the standpoint of vaccine therapy..... 788

Bacterial vaccines in treatment of pulmonary tuberculosis 176
Bacteriological and experimental researches on gas gangrene..... 168
Barany reaction as an aid in diagnosis and treatment 392
Barium and digitalis, some factors of the cardiac mechanism illustrated by certain actions of 31
Bearing of myocardial efficiency upon treatment 91
Bedford springs of Pennsylvania, "the cure" at the 159
Benedict, A. L.: Twenty-four Drugs Most Useful in Digestive Disorders..... 839
Benedict test, the..... 804
Benign pyloric stenosis and its management 121
Bernd, Leo: Practical Use of Dead Cultures or Vaccines 313
Bichloride of mercury and mercurialized serum 579
Bile duct and gall bladder diseases, physiological study bearing on..... 586
passages, surgery of the..... 434
Bird, Frank: Report of a Case of Tetanus Successfully Treated with Antitetanic Serum 10
Bismuth paste, toxic symptoms after the use of 652
Bladder infections, with special reference to localized resistant areas of cystitis... 666
tumors, present status of the treatment of 367
Bleaching powder for purifying water in the field 711
Bleeding, the limits of considered from the clinical standpoint 591
Blood, a device for drawing small amounts of 49
chemical method in the estimation of renal function 435
content, the calcium..... 776
pressure 46
and shock 851
and tobacco 478
during operation, observation on... 296
from the standpoint of the surgeon. 481
observations made during surgical procedures, value of..... 119
problems, some principles of investigation in 42
transfusion 401, 495
direct 773
importance of the proper dosage of sodium citrate in..... 212
in the treatment of pernicious anemia 271
in the treatment of secondary anemia in infants..... 869
modern methods of..... 488
principles of 578
report of eighty-five transfusions 17
the principles of..... 885
with paraffin-coated needles and tubes 147
with special reference to the citrate method of Lewisohn..... 882
Boiled milk versus raw milk in infant feeding 166
Bone grafting, a new mechanically and surgically correct method of..... 146
Bonime, Ellis: A Simplified Technique in Tuberculin Administration 388
Bonney, Charles W: Some Considerations on the Modern Treatment of Syphilis..... 767
Brain tumor, roentgenography in the localization of 137
Breathlessness, the relief of in soldiers suffering from irritable heart..... 174
Bright's disease, chronic—treatment of..... 685
Bronchial asthma, treatment of..... 879
treatment of by vaccines..... 735
of patients with injections of proteins to which they are sensitive 867
Brown, Gilbert T.: Specific Treatment in Pulmonary Tuberculosis 308
Brubaker, Albert P.: The Mechanism of Carbohydrate Metabolism 692
Bulgarian bacillus, the therapeutic uses of. 195
Burns and open wounds, development in the paraffin treatment of..... 708
the local treatment of..... 29
the paraffin treatment of..... 579
treated by ambrine..... 447
by paraffin 402
Bursitis, subacromial 1

Cacodylate of sodium in the treatment of pernicious anemia 163
in the treatment of syphilis 328
Cæsarian scar, rupture of the..... 297
section 218
post-mortem 137
Calcium content of the blood..... 776
Calculi, urinary—diagnosis of..... 24
Camphorated vaselin oil—a warning..... 715
Cancer decalogue 884
of the cervix, treatment of by the Percy cautery 564
of the lower bowel..... 519
of the stomach, Roentgen ray examination in the diagnosis of..... 53
radium in the treatment of..... 729
Carbohydrate metabolism, the influence of thyroid feeding upon. 782
the mechanism of..... 692
Carcinoma, uterine—radium in the treatment of 239
Cardiac compensation, failure of during pregnancy 197
failure, acute: treatment by intravenous injection of strophanthin..... 350
irregularities, strychnine in certain types of 554
massage in the treatment of heart failure during operation 201
mechanism, some factors of the illustrated by certain actions of barium and digitalis 31
syphilis 5
treatment in syphilis..... 849
Cardiology, some recent advances in..... 185
Cardiorenal disease treated with theocin.... 279
Cardiovascular lues 648
Care of focal infection from the dental standpoint 617
Carotid artery, common—ligature of..... 891
Carrel method in the treatment of infected wounds 170, 438
of treating gunshot wounds of the knee-joint 895
Carriers of amebic dysentery, treatment of 277
of endamœba histolytica, treatment of with oil of chenopodium..... 580
Casto, Theodore D.: The Care of Focal Infection from the Dental Standpoint..... 617
Castration, the effect of on osteomalacia in the male 743
Catgut sutures, iodized—an improved substitute for 143
Causation and treatment of "rheumatic" conditions 194
Cautery in the treatment of stomach ulcer. 95
Cecal fistulæ cured by operative methods.. 60
Celluloid dressing in the treatment of wounds 144
Central nervous system, toxi-infection of the 147
treatment of syphilis of the 102
Cerebral fat embolism, with reference to the pathology of delirium and coma..... 285
lesions, the Barany reaction in..... 392
spastic paralyses, eye-ground changes in 359
symptoms after nasal operations..... 625
Cerebrospinal fever, control of..... 265
observations on the treatment of 258
recent results in the serum treatment of..... 636
fluid, artificial 714
the significance of xanthocromia of the 599
meningitis, epidemic 798
serum treatment of..... 614
syphilis, a study of the cerebrospinal fluid in fifty cases of..... 804
gastric crises of..... 804
treatment of 337
Cervical adenitis, tuberculous—treatment of 568
Character and management of gastric myasthenia 491
Chemotherapy in tuberculosis..... 642
the rationale and practice of..... 50
Chenopodium oil and chloroform as anthelmintics 789
the administration of..... 861
Chestnuts and acorns in war service..... 803
Chilblains, pathology and treatment of..... 154
Childbirth, anesthetics during..... 81
painless 77
the morphine-hyoscine method of... 44
Chloretone anesthesia 264
Chlorine as a therapeutic agent..... 48
Chloroform in obstetrics..... 188
poisoning, delayed—intravenous injection of sodium bicarbonate in..... 581
Cholangitis a cause of recurrence of gallstones 255

Chorea, a study of two hundred and twenty-six cases of ... 120
simple—the hospital treatment of ... 32
the treatment of ... 577
Chronic Bright's disease, treatment of ... 685
intestinal stasis, the treatment of ... 548
Citrated normal blood of adults, transfusion of in the treatment of acute anterior poliomyelitis ... 119
Citrate method of Lewisohn for blood transfusion ... 882
Claw-foot or clawed toes ... 13
Climate, the use and abuse of in the treatment of tuberculosis ... 114
Clinical conditions which may be accompanied by acidosis, with their treatment ... 349
consideration of the etiological importance of fat in the alimentary disturbances of the artificially fed and of the therapeutic value of fat-free foods, notably skim milk ... 457
employment of the porcelain filter ... 420
notes on vaccine therapy ... 540
observations on dysentery ... 556
on some phases of the treatment of diseases of the heart and their sequelæ ... 470
possibilities of the pharyngeal pituitary 63
Clinic at the Jefferson Medical College Hospital ... 161
Clinico-biological relations of the spermatozoa ... 331
Coagulation of cow's milk in the human stomach ... 501
Coagulose in the treatment of hematemesis. 341
Coates, George Morrison: Etiology and Diagnosis of Diseases of the Accessory Sinuses following Influenza ... 381
Codman operation for subacromial bursitis. 4
Cold, some painful conditions due to: new modes of relief ... 153
Colds, common—the importance of ... 854
in the head, treatment of ... 649
Colon—should it be sacrificed or may it be reformed? ... 799
Colostomy, transverse ... 893
Combined vaccines in the present war, experiences with the use of ... 105
Comments on the treatment of eclampsia ... 815
Communicability of poliomyelitis ... 402
Comparative value of the methods of treating tetanus ... 196
Complement fixation test for gonorrhea ... 109
Compound fracture of the femur caused by gunshot wounds, early treatment of ... 900
fractures, treatment of ... 374
Condyle of the humerus, external—fractures of in childhood ... 444
Congenital syphilis and its modern diagnosis 212
Conjunctival and corneal diseases, treatment of by scarlet R ... 567
Conservation of the heart in the aged ... 647
Conservative treatment of diseases of the nasal sinuses ... 425
Considerations in the medical treatment of goitre ... 182
Contagiousness of scarlet fever ... 273
Continuous bath in mental disease ... 655
counter-irritation as a therapeutic measure in rheumatoid arthritis, etc ... 89
Control of cerebrospinal fever ... 265
of scarlet fever ... 178
Convulsions in children, lead as a cause of ... 784
Coöperation of physician and surgeon in the after-treatment of patients ... 549
Corpus luteum extract, personal experience with ... 881
the therapeutic use of ... 580
Correction in Dr. Bonime's article in the June issue ... 608
Cough, the treatment of ... 506
Cow's milk in the human stomach, coagulation of ... 501
Creosote in the treatment of cough ... 506
Croupous pneumonia, a case of ... 163
and its treatment ... 254
serum treatment of ... 615
treatment of by other than specific methods ... 505
Cure of arthritis by indirect effect ... 20
Current epidemics in the central empires ... 835
Cyanocuprol in the treatment of tuberculosis ... 421, 483
Cypridol in the treatment of syphilis ... 769
Cystitis, treatment of ... 666
Cystocele, an abdominal operation for the cure of ... 211

Dakin's dichloramine-T in the treatment of the wounds of war ... 723
Dangers and complications of tonsillectomy 202
of lumbar puncture ... 721
Davidson, Arthur J.: Claw-foot or Clawed Toes ... 13
Davis, Edward P.: Painless Childbirth ... 77
Dead cultures or vaccines, practical use of ... 313
infant, apparently—resuscitation of ... 555
Death at the firing line, diagnosis of ... 513
due to status lymphaticus following an injection of diphtheria antitoxin ... 584
Deaver, John B.: The Differentiation of Abdominal Pain and its Bearing on Treatment ... 244
Debt of medicine to the discovery of dyes ... 881
Deep Roentgen-ray treatment of malignant tumors ... 886
Deliquescent and liquid drugs in capsules, the administration of certain ... 45
Delirium and coma, the pathology of, and cerebral fat embolism ... 285
tremens, the treatment of ... 359
Delivery through shell wound ... 456
Department of radium therapy at Jefferson College Hospital, report of the ... 235
Dermatitis, poison-oak—the etiology of ... 675
Determination of sugar tolerance in medical practice, clinical importance of the ... 181
Device for drawing small amounts of blood 49
Diabetes insipidus, the action of pituitary extract on ... 890
mellitus, a simple dietetic treatment in hyperglycemia in—the influence of acidosis on ... 195
the modern treatment of ... 427
treatment of ... 632
of by prolonged fasting ... 280
Diabetic patients, home-made bread substitutes for ... 249, 508
treatment, a simple, in diabetes mellitus 511
Diet in the treatment of Bright's disease ... 686
Diagnosis and clinical characteristics of gout 192
and general treatment of syphilis ... 101, 204
and treatment of abortion ... 862
of gastric and duodenal ulcer ... 353
of trachoma ... 346
of urinary calculi ... 24
Diagnostic aids, infant stools as to the general practitioner ... 574
and therapeutic measures in infancy, use of the longitudinal sinus for ... 726
Diarrhea of children, hypodermoclysis in the prophylaxis, infantile ... 395
Diarsenol administered by Brayton's simplified method of giving salvarsan ... 555
Diet in the treatment of gout ... 715
Differential diagnosis of subacromial bursitis 262
Differentation of abdominal pain and its bearing on treatment ... 3
Digestive disorders, treatment of pain and distress in ... 244
twenty four drugs most useful in ... 495
Digitalis and pneumonia ... 839
in the treatment of heart disease ... 172, 185, 470, 576
its proper place in medicine ... 807
Diphtheria antitoxin, death following an injection of due to status lymphaticus ... 584
the use of ... 613
Direct transfusion of blood ... 773
Disabilities of the knee-joint ... 56
Discharging ear, the ... 115
Diseased nasal sinuses, treatment of by the general practitioner ... 741
Diseases of women, pelvic massage in ... 50
Divided blood-vessels as aids to accurate wound closure ... 662
Doctors as fighters ... 532
Doherty, W. B.: Uterine Inertia ... 463
Drainage and treatment of wounds, important principles in the ... 588
Dropsy in cardiac disease, treatment of ... 473
Drug addiction and alcoholism as complicating factors of ... 108
habit and its results, treatment of the ... 508
treatment of morphinism ... 356
users in court ... 721
Ductless glands ... 253

Duodenal alimentation in severe dyspepsia occurring after gastroenterostomy, the importance of 802
and gastric ulcer, diagnosis and treatment of 353
ulcer, diagnosis of 287
treatment of from the medical standpoint 489
Duration of paresis following treatment.... 340
Dyes, debt of medicine to the discovery of.. 881
Dysentery, acute bacillary—the treatment of 341
amebic—treatment of carriers of..... 277
—treatment of carriers of with emetine-bismuth-iodine 860
clinical observations on..... 556
treatment of 888
Dysmenorrhea and sterility, the relief of by the intrauterine stem..... 123
the treatment of..... 563

Ear discharge, treatment of..... 115
diseases, syphilitic 209
nose and throat diseases, the use of vaccines in 339
trauma resulting from high explosives. 526
Eclampsia at the Boston City Hospital: a review of the cases of twenty-three years 572
comments on the treatment of..... 815
prognosis and prophylaxis in..... 27
veratrone in the treatment of..... 191
Ectopic pregnancy 527
mistakes in diagnosis of..... 298
Edema, angioneurotic, as a cause of abdominal pain 145
Elbow fracture, end results of treatment of. 743
Electricity in the treatment of goitre..... 684
Electrotherapeutics, what neurologists should know about 305
Emetine-bismuth-iodine in the treatment of carriers of amebic dysentery.....277, 860
Emetine hydrochloride; its intravenous administration 810
the toxic effect of..... 396
injections in the treatment of liver abscesses 487
in the treatment of abscess of the liver 793
the use of 36, 567
treatment of amebic dysentery, peripheral neuritis following..... 35
Endamœba histolytica, treatment of carriers of with oil of chenopodium..... 580
End results of treatment of fracture of the elbow 743
Enlargements of the spleen..... 139
Epidemic vaginitis in children..... 432
Epididymitis, acute—surgical treatment of.. 211
Epilepsy, anesthesia in..... 110
Epileptic seizures, the relationship of intestinal disorders to..... 626
Epiploitis following herniotomy 54
Epithelial malignancy, the relation of anatomical changes of old age to..... 66
Epithelioma and keratosis, radium in the treatment of 726
Epitheliomas, superficial—radium in the treatment of 243
Epitome of the present treatment of syphilis 764
Esophagectasia 299
Ether pneumonia, the relation of to pelvic and abdominal surgery 273
Ethylhydrocuprein in diseases of the eye... 505
in the treatment of acute lobar pneumonia 559
Etiology and diagnosis of diseases of the accessory sinuses following influenza..... 381
Evaluation of trauma 399
Excretion of hexamethylenamine by damaged kidneys 47
Exercises to aid digestion, prevent constipation, and strengthen the abdominal wall. 172
Exophthalmic goitre 268
Experiences with the use of combined vaccines in the present war..... 105
Experimental syphilis, some phases of..... 221
Eyeball, increased tension of the increasing refraction following 157
Eye diseases, ethylhydrocuprein in..... 505
foreign bodies in the..... 651
ground changes in cerebral spastic paralysis 359
quinine, and malaria..... 853

Failing cardiac compensation during pregnancy 197
Fascia transplantation into visceral defects 524
Fasting, prolonged, in the treatment of diabetes mellitus 280
Fat embolism, cerebral, with reference to the pathology of delirium and coma.. 285
etiological importance of in the alimentary disturbances of the artificially fed and of the therapeutic value of fat-free foods, notably skim milk.... 457
Fatigue and alcohol..... 814
and exercise in the treatment of infantile paralysis 868
Fecal fistula 60
Feeding during operation, the value of as a preventive of surgical shock..... 583
of infants 461, 874
Fees of young practitioners 228
Femur fracture, compound, caused by gunshot wounds—early treatment..... 900
Fibrillation, auricular 887
Fibroids, uterine—radium in the treatment of 241
Fibrositis, infectious—trench skin..... 672
Field surgery, flies in..... 675
Fighting doctors 532
First dressings for war wounds..... 550
Fissures of the lung in infants with reference to thoracentesis 201
Flavine and brilliant green in the treatment of infected wounds 371
compounds, the antiseptic properties of. 820
Flies in field surgery..... 675
mode of existence of during winter.... 815
the destruction of 671
Fly killing, recipes for..... 494
Focal infections 787
care of from the dental standpoint 617
Food value of meat preparations and meat extracts 796
Foreign bodies in the eye..... 651
Foreign protein in the treatment of chronic arthritis 327
proteins, the susceptibility of man to... 121
Fracture of the elbow, end results of treatment of 743
of the os calcis..... 61
repair, the effect of sunlight upon..... 905
Fractures, compound—treatment of..... 374
glue for applying extension in..... 824
of the external condyle of the humerus in childhood, with rotation of the condylar fragment 444
treatment of by nail extension..... 217
French hospitals, experiences gained in.... 668
Fresh air in the treatment of pneumonia... 165
bile feeding, the influence of upon whole bile and bile pigment secretion..... 326
light on the treatment of tetanus..... 860
Functional kidney tests..... 132
renal tests, the interpretation of..... 65
Fundamental principles underlying the treatment of heart disease..... 172

Galactagogue, the placenta as a..... 501
Gall-bladder surgery: postoperative treatment 216
Gall-stones, recurrence of..... 255
Gas bacillus in France, observations on..... 821
gangrene, bacteriological and experimental researches on..... 168
treatment of by the intravenous injection of hypochlorous acid.. 216
poisoning, treatment of..... 697
Gastric and duodenal ulcer, diagnosis and treatment of 353
crises of cerebrospinal syphilis..... 804
hemorrhage, toxic 814
myasthenia, character and management of 491
ulcer, results of surgical treatment of.. 678
the treatment of 418
Gastroenterostomy, mechanics of the stomach after 289
the importance of duodenal alimentation in severe dyspepsia occurring after.. 802
Gastrointestinal origin of acidosis..... 283
Gastrojejunostomy under local anesthesia in the two-stage operation in gastric surgery 752
General anesthesia, approved newer methods of 596
conditions bearings on treatment of syphilis 761
Genito-urinary antiseptics, the value of.... 475
Glands of internal secretion, relation of to the sexual organs 856
Glaucoma or iritis, acute..... 890
Glucose injections in infancy, intravenous.. 738

Glue for applying extension in fractures.... 824
Glycerin and antiseptics..... 727
and ichthyol in the treatment of septic wounds 192
medicinal use of..... 788
Goitre, considerations in the medical treatment of 182
electricity in the treatment of..... 684
operations, preliminary hemostasis in.. 216
the treatment of..... 657
treatment of by the Roentgen rays.... 644
Gonococcus vulvovaginitis in childhood..... 658
Gonorrhea, acute—a sane and rational method in the treatment of..... 585
the complement fixation test for..... 109
Gossett, Walker B.: Anesthesia in Obstetrics 81
Gout, the diagnosis and clinical characteristics of 192
treatment of 262
Government ruling as to synthetic drugs... 608
Grafts and contractures, whole-skin..... 746
Graham, Douglas: Writers' Cramp and Allied Affections: Their Treatment by Massage and Kinesitherapy 841
Graves's disease, the treatment of..... 182
Guillotine amputation stump, immediate after-treatment of the..... 604
Gunshot wounds of peripheral nerves..... 213
of the head..... 365
of the knee-joint..... 895
tetanus following 107
vaccine therapy in the treatment of 285
Gynecology, medical 562

Hare, H. A.: A Clinic at the Jefferson Medical College Hospital 161
Harvard infantile paralysis commission and its work in Massachusetts..... 363
Hay-fever and asthma, treatment of by pituitrin and emetine..... 889
and its treatment 52
serum treatment of..... 616
Headache of ocular origin..... 805
Headaches, a contribution to the subject of 229
Head colds from the standpoint of the internist 649
Healing of wounds, the influence of antiseptics on 344
Health and disease, mouth-washes in..... 638
Heart disease, chronic—some practical considerations in 791
fundamental principles underlying treatment of 172
modern aspect of..... 576
one road to the control of..... 722
diseases and their sequelæ, clinical observations on some phases of the treatment of 470
failure during operation treated by cardiac massage 201
treated by massage of the heart... 623
treatment of 887
in the aged, conservation of the..... 647
Heat stroke, postoperative..... 71
Heisrath-Kuhnt operation for the treatment of trachoma 347
Hematemesis and its treatment..... 340
Hemolytic jaundice 829
Hemoptysis, emetine in the treatment of.... 37
Hemorrhage, secondary 670
the use of whole blood in..... 370
toxic gastric 814
uterine—zinc chloride in..... 493
Hemorrhages of pregnancy, including placenta previa 542
Hemorrhoids treated with quinine and urea hydrochloride 521
Hemostasis in goitre operations, preliminary 216
